- Following the banquet will be the memorial service and a short program

Tour Information

Wednesday, September 10, 2014

Naval Aviation Museum, Pensacola, FL

The National Naval Aviation Museum is the world's largest Naval Aviation museum and one of the most-visited museums in the state of Florida. The National Naval Aviation Museum features over 150 beautifully restored aircraft, including rare and one-of-a-kind flying machines such as the NC-4 (first to cross the Atlantic by air), SBD Dauntless Bureau Number 2106 (a veteran of the Battle of Midway), the Que Sera Sera (first aircraft to land at the South Pole), the last combat F-14D Tomcat, and many, many more.

Continuing the story of Naval Aviation, the Museum's exhibits provide a closer look at the people and events that shaped our history. From vintage uniforms and historic documents displayed in brilliant mahogany display cases, to dioramas that transport visitors to the World War I Western Front, Main Street U.S.A. in 1943, and the depths of Lake Michigan, the exhibits of the National Naval Aviation Museum seek to capture the human element of the enduring history of Naval air power.

While we're at the museum, we will have lunch in the WestPac room. This meal will have been prepared by the folks at the Cubi Bar Café.

Opened in 1996, the Cubi Bar Café is not only a restaurant, but a popular Museum exhibit! The Cafe's decor and layout duplicates the bar area of the famous Cubi Point Officers' Club that was a major source of enjoyment for Navy and Marine Corps squadrons, ships and units as they passed into the Western Pacific.

For nearly 40 years, the NAS Cubi Point Officers' Club, in the Republic of the Philippines, was a marvelous mix of American efficiency and Filipino hospitality. The club was especially famous for its Plaque Bar, where transiting squadrons retired old plaques and commissioned new ones to commemorate each WestPac tour. The tradition of placing plaques in the O' Club bar was started during the Vietnam Conflict and endured until the closing of the base in 1992.

When the original officers' club was closed in 1992, the thousands of plaques that adorned the walls of the club as tokens of thanks were packed up and sent to the Museum to be placed as they were when the Cubi Club was closed. The legacy of this Cubi Bar brings back many memories to aviators whose squadron plaques decorate the walls.

Friday, September 12, 2014

Delta Safari/Five Rivers Environmental Center

Board our coach for an adventure in the Mobile/Tensaw Delta! We will tour the environmental center and be introduced to this amazing eco-system, one of the most diverse and important in the country! We will meet, up close and personal, some of the rescued wildlife. We will then board the Osprey (a large comfortable pontoon boat) for a tour of the Delta. You may see gators, birds, and turtles, and who knows what else! This well narrated trip has been enjoyed by scores of visitors.

Banquet Selections

Saturday, September 13, 2014

Your choice of one of the following:

Grilled London Broil & Portobello Mushrooms – paired with Roasted Garlic Mashed Potatoes & Fresh Seasonal Vegetable

or
